**An Illustrated talk by Rob Ferguson**

**Thursday 22 November at 7pm**

**The Exhibition Hall, Worthing Sixth Form College**

Rob has recently written a book called *Placed for a Purpose* about Broadwater church and the Parish around it. Offington was very much a part of this story. His talk will focus on how Offington expanded and became the base for some famous people; it will then take us on through the times when Offington got split up and became as it is today.

The talk will be illustrated by a number of the photographs from his book. His book will be available to buy after the talk @ £15, or it can be bought directly from Rob by contacting him on 01903 369524 or by e-mailing [robbieferg2@tiscali.co.uk](mailto:robbieferg2@tiscali.co.uk).

***This event is free and supported by Offington Park Residents' Association***
